

Reheating Instructions

Suppli: Preheat oven 350 degrees. The suppli is parcooked. Heat in oven for 5-7 minutes until cheese is gooey in the center. Heat marinara sauce or serve room temperature.

Cacio e Pepe: Bring salted water to a boil and cook pasta for 1 minute. In a separate pan, bring sauce to a simmer. Drain off pasta and add it to simmering sauce to cook for another minute. Fold in pecorino when it comes off heat. Plate with fresh cracked pepper and more pecorino.

Porchetta: Preheat oven to 350 degrees. Heat for 10-15 minutes or until bubbling. The porchetta comes parcooked and seared from the woodburning oven. Heat vegetables in oven for 5-10 minutes or until hot. Plate with room temperature pesto sauce.
